

TOYS FOR TOTS

Prince George's County **VOLUNTEER** Fire & Rescue Association Annual Toys for Tots Bike Donation Challenge

For several years the Member Departments of the PGCVF&RA have participated in the Prince George's County Toys for Tots program by donating bicycles, tricycles, and helmets.

Once again in 2018 we want to challenge all companies to take part in making the holidays happier for young citizens in our community. This project has made us the top provider of bikes and trikes in Prince George's County.

***The annual drop off is scheduled for
Wednesday December 12th
before the monthly meeting at
Brandywine Volunteer Fire Department Co 40.***

Please contact project leader
PGCVF&RA 2nd Vice President Vic Whipple
301-802-1181 or at president@laurelvfd.org
